## EDUCATION

### STMIK Triguna Dharma

Information Systems

Aug 2018 – Aug 2022

GPA

: 3.54/4.00

## WORK EXPERIENCES

### PT.Indoroti Prima Cemerlang

#### Indomaret Group

Sales Estimator

Sep 2022 - Mar 2025

- Create report data and evaluate sales report data to determine sales potential. As well as including complete detailed reports such as sales records, profit margins and other financial information
- Utilize historical data, trends and market conditions to inform production cost estimates and others
- Establishes production processes and is responsible for identifying and meeting potential customer needs
- Identify and resolve problems in meeting needs and maintaining customer satisfaction
- Establishing relationships/working networks with distributors to obtain customer satisfaction information about products sold which will later be used for future estimation evaluation purposes.

## PROJECTS

### Data Encryption and Decryption

#### Applications Using RSA

#### Algorithm

- RSA Algorithm is a cryptography technique using 2 prime numbers
- The application uses two keys for the data security process, namely the Public Key for the encryption process and the Private Key for the decryption process
- The strength of this RSA algorithm lies in the exponential process, and the factoring of numbers which until now took a long time to do their factoring.

## CERTIFICATION

### K3 BASIC FACTORY OF TRAINING

Completed Nov 2020

### HTML COURSE

Completed Feb 2021

### PHP COURSE

Completed Feb 2021

### JavaScript COURSE

Completed Feb 2021

### TOEFL

Score : 450

Completed Aug 2021

### AKUTANSI DASAR DAN KEUANGAN BISNIS

Completed Des 2020

• PT. REWATA THERA INDONESIA

• SOLO LEARN

• SOLO LEARN

• SOLO LEARN

• UNIVERSAL ENGLISH

• FINATA

## LANGUAGES & SKILLS

- Bahasa Indonesia , English (Fluent).
- Ms. Office, Adobe Photoshop, Filmora X
- Programming Skills : HTML, CSS, JavaScript, Bootstrap, PHP, MySQL, Cryptography
- Leadership, Communication, Critical Thinking, Teamwork, Creative, Problem Solving, Negotiation Ability, Analytical Ability, Time Management, Decision-making.
